

## Fuel At CFN Stations To Save Money

*Send drivers here*

### CFN Stations

- OPIS based wholesale pricing
- Usually provides the most savings

### Retail Stations

- Retail pricing
- Only recommended if driver can't make it to a CFN station

#### **I. Find CFN Locations**

- Find CFN locations using the [CFN site locator](#)
- Select CFN and CFNnet in filters tab to get CFN locations only
- Have drivers [download CFN app](#) on phone to find locations on the road
- Export search results in Excel or PDF to make printable list for drivers

#### **II. Get drivers to use CFN stations**

- Use CFN transaction report to identify if your drivers are using CFN stations
  - CFN stations have site codes with 4 digits or less
  - Retail stations have 5-6 digit site codes
- Direct drivers to use the correct CFN locations
- Force hesitant drivers to use CFN stations with the “retail lockout setting”

#### **III. Review CFN pricing**

- Review invoice to see CFN pricing
- \* For C NRG Fleet CFN customers- review pricing in eCardlink online
